MUNICIPAL BY-LAWS.

BY-LAW No. 88.

A BY-LAW TO PROVIDE FOR THE REMOVAL OF OBSTRUCTIONS PREVENTING THE FREE FLOW OF WATER FROM THE SOMENOS LAKE.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll hereinafter set forth to be benefited by the removal of obstructions preventing the free flow of water from the Somenos Lake, have petitioned the Council of the Corporation of the District of North Cowichan, praying that the Council would undertake "the clearing of the outlet of Somenos Lake of all obstructions preventing the

free flow of water from the Lake. And the annual maintenance of the work in an efficient manner."

And whereas thereupon the said Council procured an examination to be made by J. B. Green, a British Columbia land surveyor, being a person competent for such purpose, of the said locality proposed to be cleared of obstructions, and has also procured an estimate of the work to be made by the said J. B. Green, and an assessment of the lands to be benefited by the removal of such obstructions, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived by the removal of such obstructions by every lot, or portion of a lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots, or parts of lots hereinafter in that behalf specifically set forth and described, and the report of the said J. B. Green in respect thereof and of the removal of the said obstructions being as follows:—

"Last fall I was requested to find the difference in the water-levels between Somenos Lake and Cowichan River, when both bodies of water were about at their summer or lowest levels, and found the water-level of lake to be 1.2 feet above the water of river at the mouth of Somenos Creek.

Owing to this slight difference between the levels of the lake and the river, the outlet is naturally very sluggish and does not clear itself to an appreciable extent, hence the annual growth in the bottom and sides of the creek, together with the driftwood and rubbish brought down stream in winter, tends to impede the flow of water.

There is about one and a half to two miles of creek outlet to Somenos Lake, over which I have to-day made an examination from the lake to the river and find it overgrown in many places, more particularly just from the outlet in the lake to a bridge across the creek on Mr. Kingston's land and again on Mr. Alexander's land, there is a good deal of overhanging brush, but the channel seems fairly clear except for a few gravel-bars across the creek near the Lakes Road. Through Mr. Jaynes' land the creek is both deep and wide and is affected by the level of the water in the river. On the Indian Reserve I notice there is one beaver-dam across the creek which is holding up water, at present about one or two inches, and I also think there is another beaver-dam holding back the water.

From my inspection of the creek I should judge that it is both feasible and necessary that the creek should be cleared of driftwood and rubbish, the overhanging brush cut away from the sides, the growth in the bottom of the creek cut out and gravel bars and silt in shallow places removed. From the present condition of the creek I should judge it would take from \$300 to \$500 to clean it out, more especially the upper part as far down as the Lakes Road.

The brush and growth in the bottom of the creek should be cut out annually, and I should think \$100, or thereabouts, expended annually for this purpose would go a long way towards keeping the creek open.

According to a plan on file in your office, compiled some years ago by Mr. Priest, C.E., it shows some 527 acres of land round Somenos Lake affected by the drainage area of this creek.

Sgd. J. B. GREEN,
Municipal Surveyor."

And whereas the said Council is of the opinion that the removal of the obstructions in the outlet to Somenos Lake is desirable:

Be it therefore enacted by the said Municipal Council of the Corporation of the District of North Cowichan, pursuant to the provisions of the "Municipal Act":—

1. That the said report, plans, and estimates be adopted, and the said obstructions be removed, and the works connected therewith be made and constructed in accordance therewith.

2. That for the purpose of paying the sum of six hundred and thirty-five dollars (\$635) in the year 1919, and the sum of one hundred and twenty dollars (\$120) per annum for each and every year following during the life of this by-law, being the amount charged against the said lands so to be benefited as aforesaid, other than lands belonging to the municipality, the following special rates over and above all other rates, shall be assessed and levied and collected upon the undermentioned lots or parts of lots.

3. The said special rate shall be due and payable at the office of the Collector of the Corporation, on or before the 30th day of September, in the year 1919, and in each and every year during the life of this by-law. And in default of payment on the 30th day of September of each and every year shall be subject to interest at the rate of eight per centum (8%) per annum until paid.

DOMINION ORDERS IN COUNCIL.

[1569]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Tuesday, the 29th day of July, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that in Dominion Parks certain rentals and water and sewer rates are collected by the Dominion Government:

Therefore, His Excellency the Governor-General in Council, under the authority of the Dominion "Forest Reserves and Parks Act," is pleased to make the following regulations exempting the home property of soldiers from the payment of these rates, and the said regulations to govern in such cases are hereby made and established accordingly:—

1. In these regulations, unless the context otherwise requires:

(1.) The term "soldier" shall mean any person having, on or after the first day of August, 1914, his or her permanent residence in a Dominion Park, and who is or has been:—

- (a.) A member of and on actual service in the active military forces raised by the Government of Canada for the express purpose of serving outside Canada in the present war;
- (b.) A member of and on actual service in the naval forces of Canada in the present war;
- (c.) A member of and on actual service in the present war in the military or naval forces of His Majesty raised otherwise than by the Government of Canada;
- (d.) A member of and on actual service in the military or naval forces of any of the Allies of His Majesty in the present war;
- (e.) Any woman who has volunteered her services for work overseas connected with the present war, and whose services have been accepted by the Government of Canada or of Great Britain and Ireland or of their Allies, and who is or has been actually serving in such capacity overseas.

The term "soldier" shall not include:—

- (a.) Any person belonging to or enrolled in the militia of Canada or in forces raised for the protection of Canada, within the boundaries of Canada, unless such person is or has been actually serving in His Majesty's forces outside of Canada;
- (b.) Any person called up under the "Military Service Act," being chapter 19 of the "Statutes of the Dominion of Canada, 1917," or any amendments thereto or any Act passed in substitution thereto, unless such person so called up has been actually enrolled in the military forces of Canada and has served overseas.

(2.) "Rates" means any rental, water, or sewer rates imposed by the Dominion Government or any part of such rates.

(3.) "Home property" is land which fulfils the following conditions:—

- (a.) It must be land which was occupied by a soldier or his wife or any of his ascendants or descendants dependent upon him for support at the time such soldier became a soldier within the meaning of these regulations;
- (b.) It must consist of not more than four lots according to a plan of subdivision if situate in a city, town, or village, and such lots must be contiguous; or of not more than 320 acres of land if situate outside a city, town, or village, and if composed of more than one parcel of land, such parcels must be situate within a circle of nine miles radius;
- (c.) It must be listed on a home property register kept by the Superintendent of the Dominion Park in which it is situated in accordance with the provisions of these regulations.

2. No soldier shall become at any time liable in respect of home property to the payment of any

rates which, when they first fall due, fall due or would but for these regulations fall due (a) after December 31st, 1917, and before the expiry of one year after the declaration of peace by Great Britain; (b) from himself, while a soldier.

3. Where any soldier cannot claim as home property any land or lands to the full extent allowed by these regulations, then he may claim as home property land with respect to which his wife, if she were a soldier, could claim exemption, but so that exemption shall only be claimed in all with respect to four contiguous lots, or 320 acres, as the case may be.

4. Each Superintendent of a Dominion Park shall keep a register of home properties.

5. Any soldier may apply to a Superintendent of a Dominion Park to have home property listed upon the register.

6. Such application shall be accompanied with such evidence as to the land affected thereby being home property as the Superintendent may demand.

7. Any Superintendent shall, upon being satisfied that any land is home property, list the same upon the register, whether any formal application has been made with respect thereto or not, but if no application has been made with respect thereto the Superintendent shall be in no way liable for not listing any land.

8. Each Superintendent shall from time to time forward to the Minister of the Interior a copy of his register, if so directed by him.

9. Where any land would be home property but for the fact that it has not been listed in accordance with the provisions of these regulations, and a soldier has become liable to rates in respect thereof, such rates shall be remitted or paid back.

10. Where any application, claim, or notification may be made by a soldier and he does not make the same within a reasonable time, then such application, claim, or notification may be made by his wife, or any of his ascendants or descendants dependent upon him for support, or his agent or solicitor.

11. Any person who has been a soldier shall for one year from the date of his discharge or one year after the declaration of peace by Great Britain, whichever first happens, continue to be exempt from the rates from which he would have been exempt if he had continued to be a soldier.

12. If any person being a soldier has died since the beginning of the war, but before the coming into force of these regulations, or if any soldier dies while personally entitled to such exemption, his legal representatives and his estate shall, in favour of his widow or in favour of any of his ascendants or descendants then dependent upon him for support, have the same exemption from rates until the expiry of one year after the declaration of peace by Great Britain as such soldier would have had if he had continued to live.

13. If any dispute or difficulty arises as to whether any land is exempted land, or as to whether any person is or was a soldier, or as to whether any person has been discharged, or as to whether any person is or was dependent upon a soldier for support, the Minister of the Interior shall decide thereon, and his decision when reduced to writing shall be conclusive proof of the points decided therein.

MINIMUM WAGE BOARD.

ORDER GOVERNING PERSONAL SERVICE OCCUPATION.

WHERE used in the following Order the term "personal service occupation" includes the work of females employed in manicuring, hairdressing, barbering, and other work of like nature, or employed as ushers in theatres, attendants at shooting-galleries and other public places of amusement, garages and gasoline service stations, or as drivers of motor-cars and other vehicles.

And where used in this Order the term "employer" shall include every person, firm, or corporation, agent, manager, representative, contractor, sub-contractor, or principal, or other persons having control or direction of any female employee in the personal service occupation, or responsible, directly or indirectly, for the wages of such employee.

Upon receipt of the recommendations from a Conference held on the 3rd day of July, 1919, pursuant to the provisions of the "Minimum Wage Act," touching the minimum wage and maximum hours proper in the personal service occupation, as follows:—

"1. Be it *Resolved*, That this Conference on the personal service occupation, meeting in the Court-house, Victoria, B.C., on Thursday, the 3rd day of July, 1919, hereby makes the following recommendations to the Minimum Wage Board:—

"(a.) That it shall be unlawful for any employer to employ or pay any female employee of eighteen (18) years of age or over engaged in the personal service occupation less than fourteen and 25/100 dollars (\$14.25) a week:

"(b.) That it shall be unlawful for any employer to employ any female employee of eighteen (18) years of age or over engaged in the personal service occupation for more than forty-eight (48) hours a week.

"2. Be it further *Resolved*, That this Conference makes the following recommendations to the Minimum Wage Board:—

"That owing to theatre ushers not being employed during hours customary in other occupations the wages proper for the aforementioned ushers be dealt with in a separate recommendation, as follows:—

"(a.) That it shall be unlawful for any employer to employ or pay any female employee of eighteen (18) years of age or over engaged as an usher in a theatre less than fourteen and 25/100 dollars (\$14.25) a week:

"(b.) That it shall be unlawful for any employer to employ any female employee of eighteen (18) years of age or over engaged as an usher in a

theatre for more than forty-eight (48) hours a week:

"(c.) That after 6 p.m. and on legal holidays and for special matinees the rate for theatre ushers shall be thirty cents (30c.) per hour, and the minimum for each 'call' shall be not less than seventy-five cents (75c.):

"(d.) That ushers in theatres not dealt with in clauses (a), (b), and (c) hereof shall be guaranteed not less than thirty-six (36) hours' employment per week, being six (6) hours' employment per day, between the hours of 1.30 o'clock p.m. and 11 o'clock p.m., and shall be paid not less than thirty cents (30c.) an hour."

And this Board having approved all of the said recommendations:

It is hereby ordered as obligatory on all employers in the personal service occupation (exclusive of employers of ushers in theatres, music-halls, concert-rooms, lecture-halls, or the like), pursuant to the provisions of the said Act, as to employees eighteen (18) years of age or over that age, as follows:—

(A.) Women Eighteen Years of Age or over.

1. The minimum wage for every such employee in the personal service occupation (except as to ushers in theatres and except as to women and apprentices to whom a special licence is issued by the Board under section 10 (1) of the said Act) shall be the sum of fourteen dollars and twenty-five cents (\$14.25) a week.

2. That it shall be unlawful for any employer to employ any female employee eighteen (18) years of age or over in the personal service occupation for more than forty-eight (48) hours a week.

(B.) Girls under Eighteen Years of Age.

Take notice that by virtue of the authority vested in the Minimum Wage Board by the "Minimum Wage Act," the said Board, having inquired into the wages and conditions of labour of girls under eighteen (18) years of age employed in the personal service occupation, and having determined the wages and conditions of labour suitable for such girls, hereby orders that:—

1. It shall be unlawful for any employer to employ or pay any girl under eighteen (18) years of age in the personal service occupation (except as to ushers in theatres, music-halls, concert-rooms, lecture-halls, or the like) at less than the following wage, namely:—

\$10 a week during the first six months' employment in such occupation.

\$11 a week during the second six months' employment in such occupation.

\$12 a week during the third six months' employment in such occupation.

\$13 a week during the fourth six months' employment in such occupation.

2. It shall be unlawful for any employer to employ or pay any girl under eighteen (18) years of age as an usher in any theatre, music-hall, concert-room, lecture-hall, or the like, at a less rate of wage than is specified in section (D) of this Order.

3. No girl under the age of eighteen (18) years shall be employed more than forty-eight (48) hours a week.

(C.) Apprentices.

To Employers in the Personal Service Occupation:

By section 10 (1) of the "Minimum Wage Act" the Board is empowered to issue to any female apprentice a special licence authorizing her employment in the above occupation (being an occupation for which a minimum wage has been fixed) at a minimum wage to be fixed in the licence, less than the minimum wage fixed for the said occupation; the licence to remain in force for such period as is fixed by the Board. The number of female employees holding special licences under said section employed in any plant or establishment shall not exceed in number one-seventh of the whole number of female employees in that plant or establishment: Provided, however, that in any plant or establishment where less than seven female employees are employed, one apprentice holding a special licence may be employed.

The Board desire that you take notice that:—

1. Licences will only be issued in such branches of the personal service occupation in which apprentices are usually employed and in cases where the Board is satisfied that the application for such licence is made in good faith.

2. In fixing the minimum wage for each such apprentice and the length of time such licence is to remain in force, the Board will be guided by the circumstances of each case as disclosed in the application for the licence.

3. Applications for such licences must be in writing. Forms of application will be supplied by the Board, free of charge, upon the request of any intending applicant. Delay and unnecessary correspondence will be obviated by the use of such forms.

(D.) Ushers in Theatres, Music-halls, Concert-rooms, Lecture-halls, or the like.
